**Other:** Knapper Str., 58507 Lüdenscheid, (Germany)

### ABOUT ME

My professional goal is to use my enthusiasm for scientific inquiry and my analytical abilities to contribute to groundbreaking research and creative solutions in the fast-paced disciplines of microbiology and public health.

### ACADEMIC QUALIFICATIONS

[ 2007 – 2012 ]

#### School Level Certification Examination

Small Heaven Model School, Nepal

[ 2012 – 2014 ]

#### Higher Secondary Education Board (HSEB)

Aroma English Higher Secondary School, Nepal

[ 2015 – 2019 ]

#### Bachelor Of Science In Microbiology

Balkumari College affiliated by Tribhuvan University, Nepal

[ 2019 – 2024 ]

#### Master of Science in Biotechnology

National College affiliated by Tribhuvan University, Nepal

[ 2025 – 2026 ]

#### Master in International Public Health Management

University of Europe for Applied Sciences, Germany

## WORK EXPERIENCE

---

 **Coral Clinical Systems** – Kathmandu , Nepal

### SALES EXECUTIVE AND APPLICATION OFFICER

[ 12/2023 – 2/2025 ]

1. Promotion and Sales of Biochemistry Reagents.
2. Client Relationship Management:- Managed relationships with clients to ensure satisfaction.
3. Market Research - Conducted market research to understand industry trends and customer needs.
4. Technical Support :- Provided technical support to customers, ensuring effective use of products.
5. Collaboration with R&D :- Worked with the R&D team to provide customer feedback

## INTERNSHIPS

---

[ 2019 ]

**Quality control department and production departments of the RTS beverage plant- United Beverage Pvt. Ltd., Chitwan**

[ 2022 ]

**Deepjyoti Pathology Laboratory**

[ 2023 ]

**Internship at Pokhara Natural Food And Beverage Private Limited in water quality analysis and microbial research projects**

## VOLUNTEERING

---

[ 2023 ] Kathmandu

**RESEARCH ASSISTANT** Research Assistant role at Group for Technical Assistance (GTA), for a Cholera Vaccination Camp:

1. Support in Vaccination Campaign Planning:- Assisted in organizing and planning cholera vaccination camps, ensuring smooth execution.
2. Data Collection and Analysis:- Collected, managed, and analyzed data from vaccination drives to monitor the effectiveness and reach of the campaign.
3. Community Outreach and Awareness:- Helped raise awareness about cholera prevention and the importance of vaccination through community outreach efforts.
4. Logistical Coordination:- Coordinated with healthcare workers, volunteers, and local authorities to ensure timely vaccine delivery and distribution.
5. Reporting and Documentation:- Documented findings, prepared reports, and contributed to research efforts to improve future vaccination strategies.

## LANGUAGE SKILLS

---

**Mother tongue(s):** Nepali

**Other language(s):** English | Hindi | German

## PROJECTS

---

**A case study on lesbian, gay, bisexual, and transgender people in Bharatpur metropolitan**

**Isolation of Trichoderma from soil from different places in Nepal and observation of their antimicrobial characteristics.**

**Detection of the blaOXA-48 Gene in Carbapenem-Resistant Bacterial Isolates from Respiratory Samples of Hospitalized Patients**

**Screening of Potential Phosphate-Solubilizing Bacteria from Different Altitudes of Nepal and effect on a plant along with Phosphatase Enzyme**

**Knowledge, Attitudes and practices regarding Antibiotic Use and Antimicrobial Resistance (AMR) in Nepal**

## SKILLS

---

Microsoft Office / Microsoft Word / Microsoft Powerpoint / Google Drive / Microsoft Excel / Video Making e Video Editing / Excellent analytical and problem solving abilities / Strong written and verbal communication / logical thinking / ability to work in group / IBM Statistical package for Sciences (SPSS)

## CONFERENCES AND SEMINARS

---

**Member of the American Society of Microbiology (ASM)**

[ 08/09/2012 ] Chitwan

**Participation in "Karyakram -2012" a Professional Event Management workshop organized by the Management Students Association of Nepal (MSAN)**

[ 01/04/2015 ] Chitwan

**Participation in an Awareness program entitled "Swine Flu and Its Preventive Measure" conducted by Microbiology Department, Balkumari College.**

[ 27/06/2015 ] Chitwan

**Participation in a one-day seminar entitled "Student Motivation" by Microbiology Department, Balkumari College.**

[ 2015 ]

**Participation in the volunteer program of men's room reloaded**

[ 20/09/2015 ] Narayani river bank, Chitwan

**Participation in a national-wide cleanup event conducted by Clean-up Nepal**

[ 26/03/2016 ] Kalika-4, latauli, Chitwan

**Participation in an awareness program entitled "Health Awareness & Health Appliance Distribution Program" organized by Rotaract Club of Ratnanagar**

[ 28/07/2018 ] Chitwan

**Participation in an international seminar entitled on opportunities & Impact of Microbiology in Health & Environment, organized by Balkumari, college, Chitwan in association with the microbiology society, India**

[ 12/02/2021 – 14/02/2021 ] Kathmandu

**General participation in an international conference on "Biotechnological revolution in environmental, agricultural technologies and healthcare (BREATH) organized by the Biotechnology Society of Nepal (BSN).**

## PARTICIPATION IN SEMINARS, AND TRAINING

---

## One-day seminar on “Drug Discovery and Metabolomics

[ 15/10/2022 – 16/10/2022 ]

Participation in two-day workshop called digital marketing organized by RPA Academy.

[ 09/09/2017 ]

Completed one-day “Proposal Writing and Poster Preparation” organized by Balkumari College

[ 08/01/2019 – 12/01/2019 ]

Completed one-week training & workshop at Shardanagar (Baramati), India under International Student Exchange Program (ISEP) on Bacterial Identification, Bio-Inoculant Production Technology, and Molecular Biology Techniques.

Completed 84 hours of course on proficiency in web design (fundamentals of internet, HTML, Macromedia Flash, Macromedia Dreamweaver, Adobe Photoshop CS2 & web hosting) in June 2012 from Heartsun Technology Pvt. Ltd.

Mastering Lab Accuracy Through Control & Calibration In Diagnostic Laboratories

## HOBBIES AND INTERESTS

---

Sketch

Football

Volleyball

## RECOMMENDATIONS

---

**Name: Nabin Ghimire** | Post Graduate Lecturer

I have known Mr. Nabin Ghimire for several years, having first encountered him in 2019 when he was my postgraduate lecturer for the M.Sc. Biotechnology program.

Email: [ng0063@uah.edu](mailto:ng0063@uah.edu) | Phone number: (+1) 2566949965

**Name: Sunil Bhandari** | Undergraduate Supervisor

I have known Mr. Sunil Bhandari since 2015. His vision and insightful guidance during my undergraduate thesis inspired and motivated me to pursue a career in research. His support played a key role in shaping my academic journey and passion for scientific exploration.

Email: [sunilbhandariv@gmail.com](mailto:sunilbhandariv@gmail.com) | Phone number: (+1) 7014910174

**Name: Dr. Gorkha Raj Giri** | post Graduate Supervisor

I have known Dr. Gorakh Raj Giri since 2019, and his vision and insightful guidance during my postgraduate thesis were instrumental in inspiring me to pursue a career in research. His unwavering support not only shaped my academic journey but also strengthened my passion for scientific exploration
